

# Directions to using Compass Learning on an iPad

In the App Store, search for Puffin Academy and click GET (this is a FREE app)

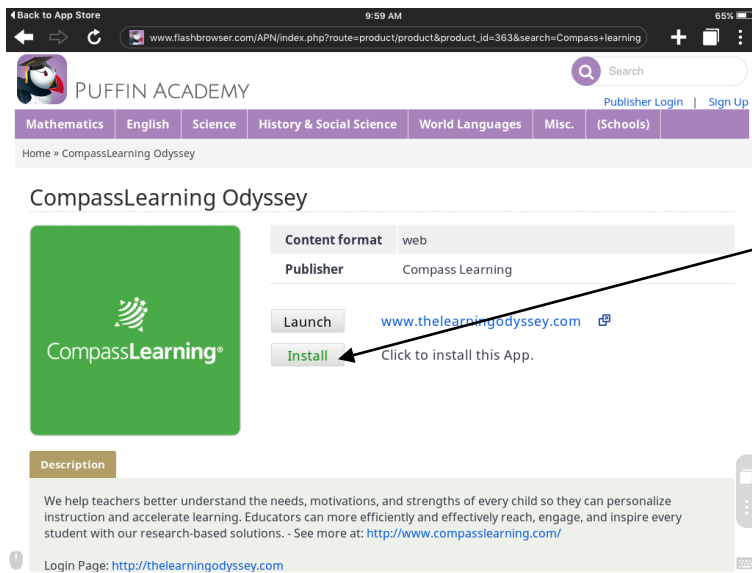

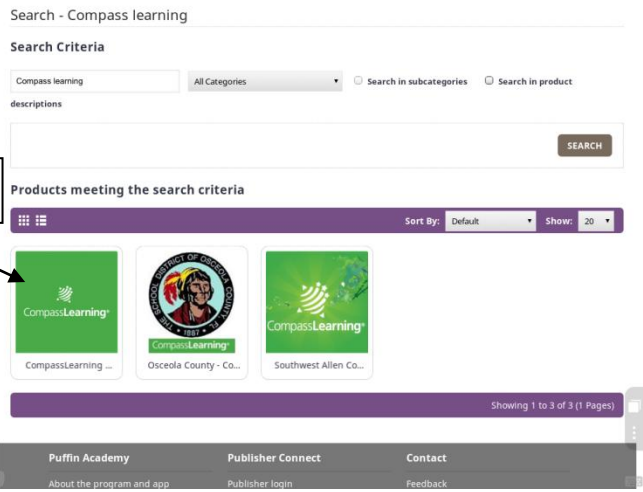

Once the app has loaded, click on the Puffin Academy Portal

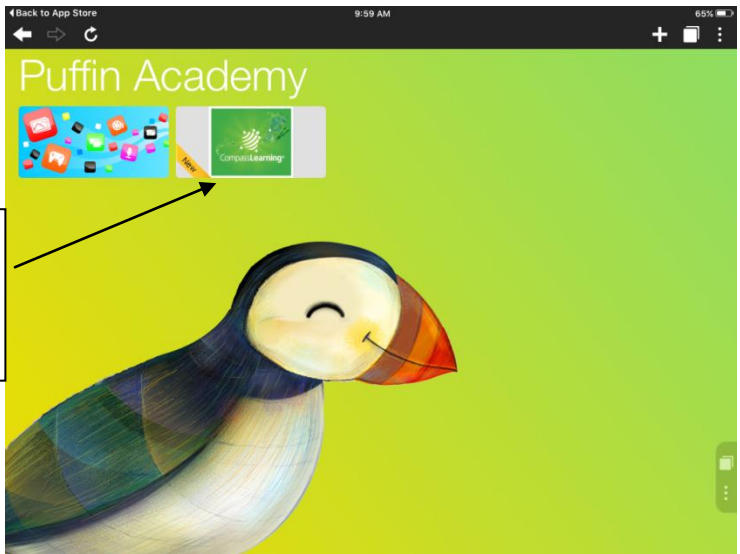

Search for Compass Learning by typing Compass Learning in Puffin's search bar

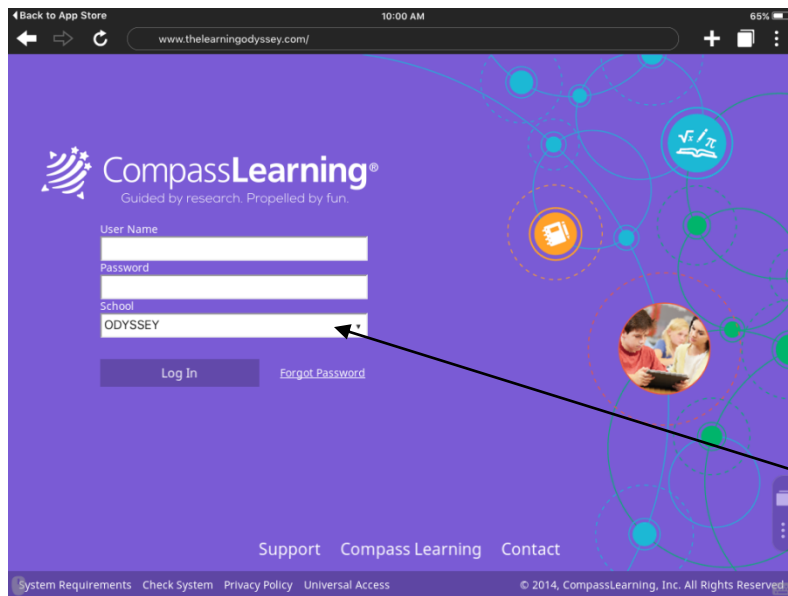

Choose this Compass Learning icon

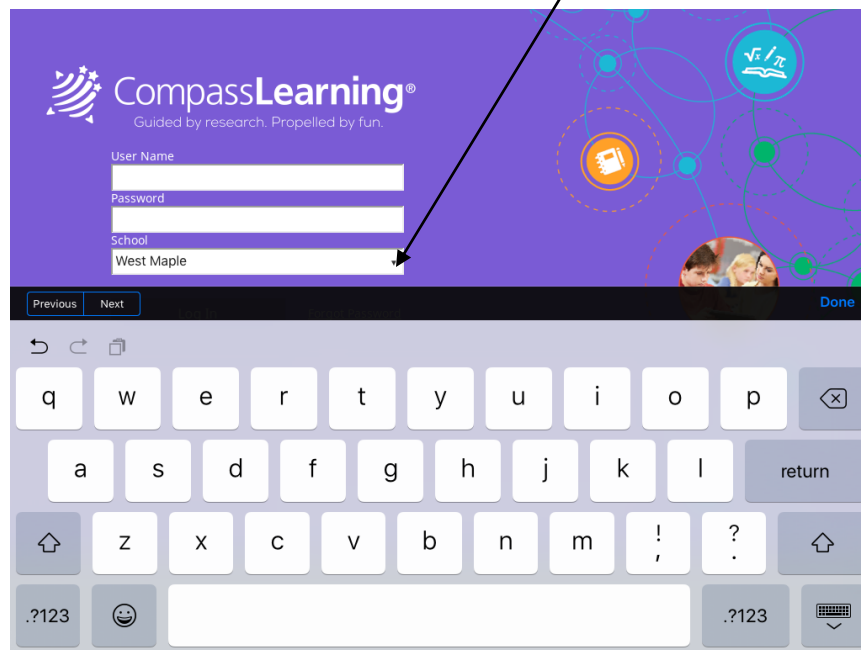

Install the Compass Learning app by clicking INSTALL

To open the Compass Learning program, click on the Compass Learning Academy

Change the School from Odyssey, to West Maple, and then have your child use their User Name and Password to begin working on the Learning Path

**It may be helpful to dedicate one page to Compass Learning, and also bookmark it in Puffin Academy. Compass Learning will not work on an iPad unless you are doing this through Puffin Academy.**
